Remember, this simple and affordable arrangement will allow you – less than 10 minutes from Sequoia – to enjoy the Golf, Dining, Fitness and Social Activities of Old Natchez. The core component of this one of a kind membership is a financial structure that essentially “gives credit” to Sequoia Members for their initiation fee and dues paid at Sequoia. The result is the rare ability to enjoy membership in both Clubs for approximately the cost of a comparable “stand alone” membership at Old Natchez – a tremendous value! In closing please know that we look forward to hopefully welcoming many of you into our family at Old Natchez.

Best Regards,
